Bill Payment Service
You may use Scottrade Bank's Bill Payment Service, to direct Scottrade Bank and/or Service provider to make payments from your Funding Account to the Payees you choose in accordance with this Agreement. The terms and conditions of this Agreement are in addition to the account agreements, disclosures and other documents in effect from time to time governing your Account.

Service Guarantee
The Service Provider will bear responsibility for any late payment related charges up to Fifty Dollars ($50.00) should a Payment post after the Scheduled Payment Due Date or Deliver By Date, provided that the Payment was scheduled and the Payee information was maintained in accordance with the guidelines described within this Agreement. Notwithstanding the foregoing, the Service provider shall not be responsible for any such charges if the Service provider does not have responsibility or liability for a Payment transaction, late payments or late payment related charges under the other provisions of this Agreement, including, without limitation, those payments described under the Exception Payments section below.
Responsibility

The Service Provider shall use commercially reasonable efforts to process the Scheduled Payments per your instructions. Neither the Service Provider nor Scottrade Bank shall be liable for any Payment transaction if: (i) you do not have enough money in your Account to complete the transaction; (ii) a legal order prohibits withdrawals from your account; (iii) your Account is closed or has been frozen, or is otherwise not authorized to debit the corresponding Payment Amount; (iv) the transaction would cause your balance to go over the credit limit for any credit arrangement set up to cover overdrafts; (v) you, or anyone you allow, commits fraud or violates any law or regulation in connection with the Services; (vi) any electronic terminal, telecommunication device or part of the electronic fund transfer system is not working properly; (vii) you did not provide complete and correct Account, Payment or Payee information; (viii) you did not properly follow the instructions or terms and conditions for use of the Service; (ix) you knew and/or had been advised that Service was not operating properly at the time you scheduled the Payment; (x) there is a postal delay; or (xi) circumstances beyond the Service provider's control (such as fire, flood or improper transmission or handling by a third party) that prevent, hinder or delay the transaction.

With the exception of the foregoing, if the Service incorrectly debits your Account and/or directs funds from your Account to a Payee inconsistent with the instructions you specified in the Scheduled Payment, the Service shall, upon detecting the error or receiving notice from you, be responsible for returning the improperly transferred funds to your Funding Account and/or redirecting funds to the proper Payee and/or contacting the Payee to request appropriate adjustments on your account with the Payee except as otherwise provided under the Authorization section below.

Liability

You will be responsible for any Payment request you make that contains an error or is a duplicate of another Payment. Scottrade Bank and/or Service provider is not responsible for a Payment that is not made if you did not properly follow the instructions for making a Payment. Scottrade Bank and/or Service provider is not liable for any failure to make a Payment if you fail to promptly notify Scottrade Bank after you learn that you have not received credit from a Payee for a Payment. Scottrade Bank and/or Service provider is not responsible for your acts or omissions or those of any other person, including, without limitation, any Payee or transmission or communications facility, and no such party shall be deemed to be Scottrade Bank's and/or Service provider's agent. In any event, Scottrade Bank and/or Service provider will not be liable for any special, consequential, incidental, or punitive losses, damages, or expenses in connection with this Agreement or the Service, even if Scottrade Bank and/or Service provider has knowledge of the possibility of them. Scottrade Bank and/or Service provider is not liable for any act, failure to act or delay in acting if it is caused, in whole or in part, by any cause beyond the Scottrade Bank's and/or Service provider's reasonable control.

Setting Up and Maintaining Payees

To begin using the Service you will first need to establish at least one Payee in your Payee List. You may add, modify or delete Payees as necessary. It is your responsibility to manage your Payee List and maintain accurate Payee information, such as but not limited to the address to which the Payee specifies Payments are to be delivered, your account number with the Payee, the name on your account with the Payee, etc, except where the Service expressly indicates that it shall manage such Payee information, such as a Merchant's remittance address. Payees must reside or exist within the United States of America or its territories or commonwealths. The Service provider and/or the Financial Institution reserve the right to refuse or remove a Payee for any reason.

Setting Up Payments

To schedule Payments you must choose a Payee from your Payee List. You may schedule One-Time Payments and Recurring Payments to any of your Payees. It is your responsibility to cancel, skip, reschedule or revise a Scheduled Payment in accordance with the Payee's instructions to you, or as needed to ensure sufficient available funds in the corresponding Funding Account, or under circumstances where the Payee may return the Payment to the Service provider due to any reason outside the Service provider's or the Financial Institution's control. The Service provider and/or the Financial Institution reserve the right to refuse or cancel a Payment for any reason. The earliest possible Payment Date / Withdraw On Date and Due Date / Deliver By Date for each Payee will be determined and presented by the Service when you schedule a Payment. The Service will not permit a Payment Date / Withdraw On Date or Due Date / Deliver By Date earlier than the earliest possible dates presented. The Service determines this earliest possible Payment Date / Withdraw On Date and Due Date / Deliver By Date based on the number of Business Days required to deliver a Payment to the Payee, which is primarily affected by whether or not the Payee has agreed to accept remittance of Payments electronically or requires Payments be delivered by check.

For Normal Bill Pay transactions you should allow 4-5 business days for delivery of a paper check, and 2-3 business days for delivery of an electronic payment. Transactions scheduled on the Payment Due Date may NOT arrive in time for you to receive proper credit for the payment, and the Service provider will not be held liable for any late fees or other penalties associated with the late payment.

A Payee's location or policies for posting and crediting payments may require additional Business Days. Payments scheduled after the Service's Cut-Off Time shall be processed no earlier than the following Business Day. Currently, the Cut-Off Time is 3:00 pm Central Time, but the Service provider and/or the Financial Institution may change the Cut-Off Time without prior notice.

You should carefully consider factors such as the Payee's date payment due, grace period, whether the Payee's date payment due falls on a non-Business Day, etc, when scheduling a Payment to avoid late payments and late fees. You must allow the necessary number of Business Days prior to the Payee's date payment due for each Payment, including each Payment of a Recurring Payment series. Some businesses take longer to post payments than others. You should consider allowing additional time for the initial Payment to a Payee through the Service in order to gauge the appropriate Payment Date / Withdraw On Date or Due Date / Deliver By Date in each case, and determine whether to allow an additional one (1) or two (2) business days to avoid incurring any late fee charged by the Merchant.
Setting Up Payments (cont’d)

It is your responsibility to schedule Payments appropriately and in accordance with the Payee’s requirements. Neither the Service provider nor Scottrade Bank shall be responsible for late payments, nor reimburse you for late fees, for any Payment delivered in accordance with your instructions, or as a result of a Payee’s payment processing policies, or any other circumstance outside the Service provider’s control.

Payments to Payees, businesses or individuals, outside the United States of America or its territories or commonwealths, are prohibited.

Editing of Canceling Payments

Any Payment can be modified or canceled, provided you access the Service prior to the Cut-Off Time on the Business Day Payment is going to be processed. Once a Payment is in-process, it cannot be canceled through the Service. Instead, you must contact your local Scottrade Brokerage branch office to request a stop payment. A Recurring Payment may be edited or canceled 30 days prior to the due date.

Stop Payment

You may request to stop payment after a payment has been processed by contacting your local Scottrade brokerage branch office. The Service’s ability to successfully stop payment depends on how the funds were remitted to the Payee and the elapsed time since the Payment was processed. The Service provider and Scottrade Bank will make commercially reasonable efforts to stop payment per your request, but shall have no liability if unsuccessful. You may be charged a stop payment fee for each request. Please refer to Scottrade Bank’s Schedule of Fees for additional information.

Exception Payments

Tax payments and court ordered payments may be scheduled through the Service; however such payments are discouraged and must be scheduled at your own risk. In no event shall the Scottrade Bank or Service provider be liable for any claims or damages resulting from you scheduling these types of payments. The Service provider shall have no obligation to research or resolve any claim resulting from any such payment. All research and resolution for any misapplied, mis-posted or misdirected payments will be your sole responsibility.

Bill Payment Process

The Service will process Payments in accordance with the Payment instructions you provide. The Service will not process Payments on weekends or bank holidays. The Service will debit your Account or issue a draft against your Funding Account, and deliver those funds to the designated Payee on your behalf such that the funds arrive as close to the scheduled Due Date / Deliver By Date as is reasonably practicable. Numerous business and technical requirements determine if a Payee can accept Payments electronically, but in all cases Payments can be remitted by check. The Service provider shall have sole discretion to determine the appropriate remittance method. In order to process Payments efficiently and effectively, or otherwise comply with Merchants’ remittance requirements, the Service reserves the right to change or update Payee data, or alter the method of Payment remittance. Neither the Service provider nor the Financial Institution shall be responsible for late payments, nor reimburse you for late fees, due to: a) U.S. postal delivery issues; b) electronic remittance network issues; c) your Payee’s payment processing procedures; d) instances where the financial risk associated with the Payment requires check remittance instead of electronic remittance or additional Business Days to ensure sufficient funds in the Account are available; or d) other circumstances beyond its control.

Authorization

When you schedule a Payment, you expressly authorize the Service provider and/or Scottrade Bank to withdraw from your Funding Account the Payment Amount and to remit those funds to the designated Payee on your behalf, and additionally to debit your Account for any applicable Service related fees. You further authorize the Scottrade Bank to credit your Account for any payment returned from or undeliverable to the Payee. In addition, you certify that the Account is an account from which you are authorized to make payments and incur debits.

You agree to have available and collected funds on deposit in the Account in amounts sufficient to process each Payment as requested by you, as well as any other payment obligations you have to the Scottrade Bank. Scottrade Bank reserves the right, without liability, to reject or reverse a Payment if you fail to comply with this requirement or any other terms of this Agreement. If you do not have sufficient funds in the Account and Scottrade Bank has not exercised its right to reverse or reject a Payment, you agree to pay for such Payment obligations on demand. You further agree Scottrade Bank, at its option, may charge any of your accounts at Scottrade Bank to cover such Payment obligations.

You authorize the Service provider and Scottrade Bank to contact your Payees to request appropriate adjustments consistent with your Payment instructions and/or as pertaining to the Service Guarantee and Responsibility, and/or to stop payment on any draft issued against your Account in connection with the Service in the unlikely event that the Service remits funds incorrectly to any of your Payees, and/or to withdraw funds from your Account in such event if you otherwise receive the benefit of the amount of such incorrectly remitted funds.

Returned Payments

In using the Service, you understand that Payments may be returned by or to the Service provider for various reasons including but not limited to: the account or account number at the Payee is not valid, the Payee address is not valid, the Payee returns or rejects the remittance item, the account at the Payee has been paid in full or has been turned over to another company or individual. The Service shall use commercially reasonable efforts to research and correct the returned payment, or void the payment and credit your Payment Account. You may receive notification from the Service.
